

## **We belong to the following Associations**

### **RCMA (Roof Coating Manufacturing Association)**

The Roof Coatings Manufacturers Association (RCMA) is the national trade association representing the manufacturers of asphaltic and solar reflective roof coatings and the suppliers to the roof coatings industry. RCMA has more than 70 members who manufacture in or ship products to almost every state in the country, and is headquartered in Washington, DC. Established in 1982, RCMA is a leading industry voice, promoting the benefits of roof coatings and providing its membership with up-to-date information on building codes and standards, technical developments, and other industry topics of interest. The high level of participation and dedication from the membership is a testament to RCMA's commitment to representing the industry, and to promoting the wide range of benefits roof coatings offer.

### **The Guild CPO**

Guild CPO is an international organization of paint, coatings and related manufacturers organized to provide cooperative purchasing services for its member companies to improve their profitability. Guild CPO was established as a global buying cooperative in 1988 focusing on the procurement of raw materials and services for the coatings and other related industries

## **UL Certified (Underwriters Laboratories)**

UL is a global independent safety science company with more than a century of expertise innovating safety solutions from the public adoption of electricity to new breakthroughs in sustainability, renewable energy and nanotechnology. Dedicated to promoting safe living and working environments, UL helps safeguard people, products and places in important ways, facilitating trade and providing peace of mind.
