

## **How to Purchase a New Closing Tool**

The next step after you have read these instructions is to check out the Closing Tools below. You can do this by clicking on one or both of the Manufacturer's closing tool photos shown to see the closing tools we have available. We are also an "Authorized Closing Tool Repair Center" for both Carando and Grotnes Closing Tools. The next step will be to select the Closing Tool of your choice by clicking on the **"Purchase" Button**. You will then be directed to the purchase page where you will be asked to complete the Informational Purchase Order Form, in order to direct your order to the correct Territory Sales Manager.
