Announcement: Cleveland Steel Container Acquires Falco Group USA Division

Dear Falco/CSC Customer,

We are pleased to announce that Cleveland Steel Container (CSC) has officially acquired Falco Group's USA operations located in Roseville, MI. Falco Packaging has been a trusted name in the metal packaging industry since 1972. Over the coming months, we will be integrating Falco USA into the CSC family while maintaining the quality, service, and product expertise you've come to rely on.

This acquisition immediately increases our metal packaging footprint. In addition to CSC's round gallon can, we now have increased capacity in gallon rounds and now offer gallon F-style and quart round cans. We are also expanding into cone top cans in the near future.

About Cleveland Steel Container Corporation

With over 60 years of experience, Cleveland Steel Container has four steel pail plants and two general line can plants strategically located throughout North America. Our success is built on a commitment to quality, service, and value, and a relentless focus on meeting our customers' evolving needs. This acquisition expands our capabilities into the industrial tin can market.

About Falco Group

Founded in 1972 in Miradolo Terme, Italy, Falco Group has built a solid reputation as a leader in metal packaging and containers. Falco is known for its compliance with the highest international standards, including ISO 9001, ISO 22000, FEA, UN, IATA, IMCO, RID, and ADR certifications. These certifications and Falco's expertise in customizable metal packaging make this a natural fit with CSC's commitment to quality.

What This Acquisition Means for You

We want to emphasize that this acquisition will help provide the financial support needed to sustain current operations. Here's what you can expect:

1. **Immediate Continuity:** All aspects of your relationship with Falco USA, such as pricing, quality, products, and sourcing, will now be turned over to the CSC team, working closely with the Falco team. For all sales questions, please get in touch with Tom Palmieri at 216-973-0280 or tpalmieri@cscpails.com. The other immediate change you will notice is the new banking/remittance information for invoices.
2. **Transition Period:** Over the next 6-18 months, you'll see Falco USA gradually integrate with CSC operations.
3. **Enhanced Capabilities:** As we integrate, you'll gain access to a complete catalog of metal packaging, from steel pails to tin cans. You'll also benefit from CSC's broader network of manufacturing facilities, expanded capacity, technical and engineering support, and proven delivery performance.
